

CLOTHING BANK

Parys Primary School's clothing bank works as follows:

Our school's clothing bank has the necessary school clothes for learners. There are two ways in which clothes can be obtained from the clothing bank. Clothes can be exchanged, or a payment is going to be made for the items.

Exchanging clothes:

If you have an item that is too big or small for your child, it can be exchanged at the clothing bank. The exchange of an item can only take place if the garment is still in a usable, neat condition, otherwise there will be a payment on the items.

Costs of clothing bank items:

NB! Payments are cash only at the clothing bank. No item will be given without payment unless exchanged.
